

Lightning to USB cable , 2 m, MFI, white

JB-CC-USB2-AMLM-2M-W

Features

- Wherever you go it will always be essential to keep your devices charged and ready to be used for either your business or your personal life. The Qbits® brand 8-pin lightning cable is certified by the developer to meet Apples exacting standards and is suited for use by all your lightning pin Apple devices. The cable uses USB 2.0 technology to ensure that information transfers and data syncing is fast when you connect to your PC or Mac. Having a cable for travelling, at the office or as a spare to use with extra devices is a smart way to ensure no matter where you are, you will always be connected.
